To Whom It May Concern

This is to certify that Eman Hashim Mohammed was regular student at Admas University in the field of Computer Science. She has studied in degree program. Besides that we want to assure you that the medium of instruction in our university is English language and we provide a student copy for his which is prepared based on our university curriculum.

The University highly appreciates any service which would be rendered to her.

With Best Regard

Markos Kelanework

Head, Registrar & Academic Programming
